Room 10074 on the Show Floor

When our Natural e³ palm tocotrienols effectively:

- Reduced triglyceride levels by up to **55%** in human clinical studies (Journal of Atherosclerosis and Thrombosis)
- Decreased skin pigmentation by up to **150 times** the effects of Kojic Acid and Sodium Lactate (Pigment Cell & Melanoma Research)
- Targeted **prostate cancer stem cells** not affected by conventional anti-cancer drugs (International Journal of Cancer)

We knew that we have a gem in our 'palm'.
