

Natural e³
DAVOS Tocotrienols

Natural e³ Palm Tocotrienols

The Super Vitamin E with Deep Skin-Lightening Activity

150 times more melanin reduction than kojic acid and sodium lactate for natural skin-lightening effects

Plus **60 times more** antioxidation activity than standard vitamin E for anti-ageing and UV protection

Available products for a wide range of cosmetics and skin care applications:

- **High Purity Palm Tocotrienol Oil (up to 95%)**
- **Oil Palm Tocotrienol Powder (up to 30%)**

For higher purity, we offer customized formulations of Natural e³ to meet your needs.

For further information visit us at www.davoslife.com

The secret to beautiful glowing skin is in your 'palm'

Enrich your knowledge base on the superior skin-whitening and skin care benefits of palm tocotrienols and enhance your products with **DavosLife Natural e³**, the leading ingredient-supplement brand in the market.
