Sympare Glide Series

(Patent Pending)

Glide 5922

ViscoGlide

EcoGlide

DuoGlide

A comprehensive range of solutions powered by the latest technology to meet your needs.

Redefining Oil Conditioning for Modern Shampoo Systems

Clean, modern oil conditioning that delivers slip, gloss, frizz control, and stable, easy-to-use shampoo systems.

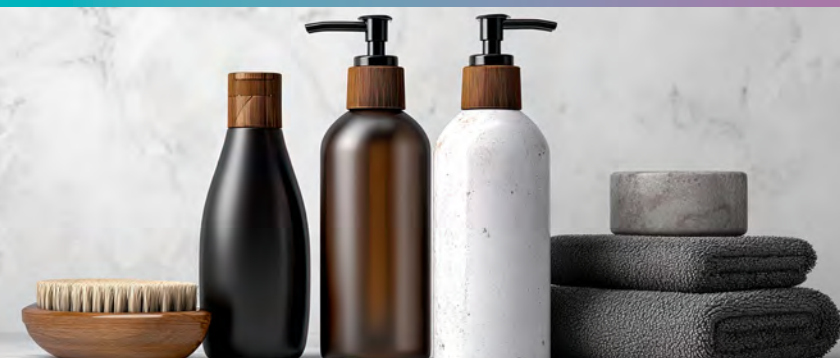

About Sympare *Glide* (Patent Pending)

Sympare *Glide* is a complete oil conditioning portfolio designed to meet the diverse needs of modern shampoo systems.

Powered by advanced technology, our Sympare *Glide* range delivers naturally derived, plant-based shampoo systems that are balanced, stable, and easy to use.

Plant-Based Lipid Layer Enhancers for Smoothness & Shine

Glide 5922

Best for regular daily shampoos

Premium after-feel without compromising daily shampoo usability

ViscoGlide

Sulphate-free formulation

Formulations maintain viscosity stability without compromising clarity

EcoGlide

Ideal for medicated shampoos

EO-free solubiliser that stabilises high active loads while maintaining clarity and storage stability

DuoGlide

Recommended for professional salon shampoos

Delivers salon-grade slip, gloss, and frizz control with stable foam - silicone-free
